The three pendants above will reflect different colors due to the multifaceted iridescent color schemes. Base color will be visible from the side and back, but the front will vary. Some will reflect purples, while some will show other colors such as blue. No two pieces look the same, making each one as unique as the life they represent.

"My beautiful wife and I always enjoyed each others company. We would drink coffee together and watch the hummingbirds feed outside our kitchen window. Even though she has passed, I can still experience life with her everyday through her presence safely memorialized in Crescent Art Glass."

Forever In Our Hearts

*A million times we needed you,
A million times we cried,
If love alone would have saved you,
You would have never died.
In life we loved you dearly,
In death we love you still,
In our hearts you hold a place,
No one can ever fill.*

*Though on earth you are no more,
But in our memory you are with us,
As you always were before.
It broke our hearts to lose you,
But you did not go alone,
A part of us went with you,
The day God called you home.*

*Your precious memories are for
keepsakes, with which we never part,
God has you safely in
His keeping. We
have you Forever
in Our Hearts.*

becomes part of us."*

Dennis was our life. He was the strength of our small family. With Crescent Art Glass, we can still hold him near to our hearts during the day and he can still be my light and comfort during my weakest moments at night.
